

## Sectors

Our services are already being used in over 300 premises by many companies throughout the South of England. Our teams of experienced and professional managers and operatives offer a wide range of cleaning and associated services in a number of sectors. By working closely with our customers we are in a position to understand their changing needs and develop with them a range of bespoke solutions.

### COMMERCIAL OFFICE CLEANING SERVICES

Providing a best in class service to our office cleaning customers is our priority. We tailor cleaning specifications to meet your needs and budget with a focus on service and standards. Our services are flexible and reliable with experienced cover and mobile staff available to ensure consistent standards at all times. This proven approach has secured the confidence of numerous long-term customers, many of whom have been with us for over 15 years. With support from our local management and customer service teams you can be assured of a first class service at all times.

### EDUCATION CLEANING SERVICES

Our understanding of the Public and Private education sectors is underpinned by our broad portfolio of schools and colleges. All our staff have CRB clearances and we can provide a full range of term-time and specialist deep clean services; working closely with school management to meet the specific needs of each facility.

### LEISURE CLEANING SERVICES

Our leisure sector experience includes gymnasiums, fitness clubs, theatres and hotels. We understand how demanding and dynamic this sector is and whether our service is front or back of house, we have a proven and flexible cleaning solution that will meet your needs. To support our day-to-day activities we have a range of specialist services tailored to take care of any additional requirements.

### RETAIL CLEANING SERVICES

Providing a clean and safe environment for our retail clients is our focus; creating a welcoming and comfortable experience for their customers. Our staff receive regular Health & Safety and customer service training to ensure a consistent and high level of service.
