

## Specialist Services

### WASHROOM SERVICES

We can provide a “one stop” service management solution for our customers large or small by providing best in class products and services sourced from leading UK companies. Respect for the environment is high on our selection criteria as is compliance and customer service.

### RECYCLING SERVICES

Utilising our experience and working through industry partners CSS can provide a wide range of cost effective recycling initiatives, confidential waste management and general/specialist waste disposal solutions. You can be assured that we will develop fully compliant services with balanced environmental credentials.

### WINDOW AND HIGH LEVEL CLEANING SERVICES

We specialise in high access cleaning to a wide range of commercial buildings maximising the use of Reach and Wash pole cleaning systems. We can also provide highly qualified abseil technicians and experienced hydraulic platform operatives. All our staff are trained and certified to the highest levels and are fully compliant with all relevant H&S legislation.

### COMPUTER HYGIENE CLEANING SERVICES

Computers and communications equipment are used widely in most buildings and facilities. Often used by many people over the course of a day they are a magnet for germs. CSS can offer a range of straightforward services that will keep them sanitised and in clean working order; these operations can easily be incorporated into our daily cleaning services at minimal cost.

### LANDSCAPING AND INDOOR PLANTING SERVICE

The right plants can make all the difference to the public and work areas of your building, creating a pleasant environment and improving air quality. Working with our preferred partners we can supply and maintain indoor plants that will make your workplace greener. We can also look after your external landscaping utilising experienced and professional operatives.
